## ACKNOWLEDGMENTS

This conference would not have been possible without the generous efforts of many dedicated individuals and sponsoring institutions.

The organizers and planning committee members consisted of Susan Pearce, Eugenia Sojka, Korinna Georghiades, and Erika Wilkins, all with the Civic Education Project, Renata Matuszkiewicz of University of Gdansk, Poland, and Slawomir Kapralski of Central European University, Warsaw. Monica Pearce provided invaluable on-site assistance. Marzena Paludan, director of the stage performance Agnes, transported her theatrical troupe and props from Gdansk and transformed a small stage into remarkable socially conscious drama.

We especially appreciate the financial sponsorship of Civic Education Project Poland and the United States Consulate of Krakow, Poland. Generous in-kind donations were provided by Jagiellonian University, including the conference space.

Special gratitude goes to Professor Zdzislaw Mach and Dr. Grazyna Kubica of Jagiellonian University, Dr. Jakub Basista of Jagiellonian University and Country Director of Civic Education Project Poland, and Mr. Mark Toner of the U.S. Consulate of Krakow.

We must somehow acknowledge the city of Krakow which, in its illustrious way, provided the cultural backdrop for this conference through its dedication to the arts and education, and its ability to balance historic preservation and change beautifully.
