Creating an Environment for Learning:
Everyone Deserves a Mayfair Street

Martha Kehner Engelke, RN, PhD
Richard R. Eakin Distinguished Professor of Nursing
Associate Dean for Research and Scholarship
With anything young and tender the most important part of the task is the beginning of it; for that is the time at which the character is being formed and the desired impression more readily taken.

Plato, The Republic
6444 Mayfair
Taylor, Michigan 48180

PhD, North Carolina State
A positive learning environment:

- Instills confidence in the goal.
- Provides a roadmap for success.
- Recognizes achievement.
"Could someone help me with these? I’m late for math class."
School Nurse Case Management Project of North Carolina

Education & Support
School Nurse Case Manager

Assessment
- Academic History
- Health Record
- Child
- Physical
- Psychosocial

- Self-Care Management
- Academic Success
- Supportive Family/Peers
- Health Care Coordination

Interventions
- Direct Care
- Education/Counseling
- Teacher/Staff Education
- Family Education/Support
- Health Care Coordination

Outcomes
- Individual Academic and Health Improvement
- Aggregate Chronic Illness Programs
- System Coordinated School Health Program
The meeting of two personalities is like the contact of two chemical substances; if there is any reaction, both are transformed.
